Appln. No. 10/629,417 Amdt. dated April 18, 2005 Reply to Office action of January 18, 2005

## Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

## Listing of Claims:

1. (Original) An insulating jacket for refrigeration system component, comprising:

a closed cell insulation layer comprising an inner and outer surface;

an open cell foam layer comprising an inner and outer surface, said inner surface in contact with said outer surface of said closed cell insulation layer; and

a sound barrier layer comprising an inner surface in contact with said outer surface of said open cell foam layer.

- 2. (Original) The insulating jacket of claim 1, wherein said inner surface of said closed cell insulation layer is in contact with a vessel.
- 3. (Original) The insulating jacket of claim 2, wherein said vessel is selected from the group consisting of a cooler and an economizer.
- 4. (Original) The insulating jacket of claim 1, wherein said outer surface of said open cell foam layer is glued to said inner surface of said sound barrier.

2

Appln. No. 10/629,417 Amdt. dated April 18, 2005 Reply to Office action of January 18, 2005

- 5. (Original) The insulating jacket of claim 2, wherein said inner surface of said closed cell insulation layer is glued to said vessel.
- 6. (Original) The insulating jacket of claim 2, wherein said inner surface of said closed cell insulation layer is attached to said vessel via velcro straps.
- 7. (Original) The insulating jacket of claim 1, wherein said closed cell insulation layer, said open cell foam layer, and said sound barrier layer comprise generally cylindrical sheaths.
- 8. (Original) The insulating jacket of claim 1, wherein said closed cell insulation layer and said open cell foam layer are comprised of a material selected from the group consisting of PVC and nitrile.
- 9. (Original) The insulating jacket of claim 1, wherein said sound barrier layer is comprised of barium sulfate.
- 10. (Original) The insulating jacket of claim 1, additionally comprising a weatherproof layer comprised of aluminized vinyl fiberglass cloth.
- 11. (Cancelled)
- 12. (Cancelled)
